APPLYING TO PURCHASERS

DESCRIPTIONS

Every effort is made to ensure the accuracy of the description of each lot but these whether made orally or in the catalogue are expressions of opinion and not representations of fact. No employee of the Auctioneers has any authority to make any representation of fact and the Auctioneers disclaim on behalf of the Vendor and themselves responsibility for authenticity, age, origin and condition and for accuracy of measurement or weight of any lot or lots.

MISREPRESENTATION

If within fourteen days after the sale the Auctioneers receive from the Purchaser notice in writing that in his view the lot is a deliberate forgery, and within seven days after such notification the Purchaser returns the lots to the Auctioneers in the same condition as prevailed at the time of sale and satisfies the Auctioneers that (having regard to the entry in the catalogue) the same is a deliberate forgery, then the Auctioneers shall be entitled to rescind the sale and to refund to the purchaser the purchase price of that lot. In deciding whether or not the lot is a deliberate forgery the Auctioneers shall be entitled at their discretion and at the cost of the Vendor to seek the views of any expert or other authority.

2. No bid may be withdrawn and the Auctioneers may refuse any bidding.
3. The Auctioneers may divide, combine, add to or withdraw any lots and shall determine the advance of each bid and may bid on behalf of the vendor on lots on which there is a reserve price.
4. The highest bidder shall be the buyer. If a dispute arises the Auctioneers have discretion to settle the dispute or to re-offer the lots. At the fall of the hammer the lots shall be at the sole risk of the pruchaser who shall give to the Auctioneers his full name and address and such deposit as the Auctioneers may require.
5. The purchaser shall pay to the Auctioneers commission at the rate of 5% of the purchase price on each and every lot purchased.

CLEARANCE AND PAYMENT

No lots may be removed without payment of the full purchase price and cheques cannot be accepted from strangers without a Banker's Reference. All lots must be removed at the Purchaser's risk and expense.

AGENCY AND COMMISSIONS

The Auctioneers act as agents only and are not responsible for default by either Vendor or Purchaser. They will execute commissions received in writing up to one hour before the sale only on condition the lots have been viewed by the intending purchaser.

DEFAULT

If any buyer fails to comply with these Conditions the Auctioneers shall be at liberty to re-sell the lot(s) without further notice by public or private sale and any deficiency arising from such sale together with all charges and expenses shall be made good by the defaulter.

Title of Goods purchased remains with the Liquidator until payment is made in full. Responsibility of the goods passes however to the purchaser at the fall of the hammer. The purchaser is thereafter responsible for the insurance of goods purchased.

To save time and to prevent mistakes each Purchaser will oblige Messrs. LYALL & CO. by filling in this slip and handing it to the Auctioneers' Clerk on making the first purchase.

FERRY MEADOWS

Ferry Meadows Country Park – opened in 1978 – contains 500 acres of fine countryside: lakes, meadows and woodland. It is the focal point of the much larger Nene Park which runs from Peterborough city centre to the A1 at Wansford.

Ferry Meadows is a place for both leisurely and active recreation. Canoeing, board and dinghy sailing, rowing, trim track exercising and adventure playgrounds are all available (with RYA training courses at the Watersports Centre).

And there are nature walks, a bird reserve, pony and trap rides, cruising on the Nene Star, horse riding, Nene Valley International Steam Railway, a miniature steam railway and lake fishing.

There is a Caravan Club site and separate caravan rally and group camp sites. Two pay-as-you-play golf courses and a pitch-and-putt are on the edge of the park. And there are miles of footpaths, cycleways, and horse routes.

Car parking is free except at weekends and Bank Holidays from Easter to October. Coaches can park free at any time and cruisers entering Ferry Meadows from the river can moor without charge.

The Visitor Centre (next to the main car park) has seasonal information displays and a shop selling books and gifts. Cafes serve hot and cold snacks and catering for private functions is available. You can picnic almost anywhere in the park – but please take your litter home.

Disabled visitors are welcome at Ferry Meadows. Two Batricars are available on loan – but please ring to check availability in advance. There is wheelchair access throughout the park, including fishing stands and a bird hide.

Ferry Meadows is open all year. Many of the facilities are available during school holidays and at weekends, from Easter to October. Please check first if you want to be sure what is available if you plan to visit at other times.

Park wardens are on duty. Please follow their advice and ask them (or any other member of staff) for any information you require.

Ferry Meadows Watersports Centre – for details of sailing events, launching, courses, hire, etc.
Telephone Peterborough 234418.

How to reach the Park

By car – the park is signposted on the A605 Oundle to Peterborough City Centre road (Look for the FERRY MEADOWS sign).

By bus – Services 2 and 265 stop on the Oundle road, near the main entrance. (Bus enquiries – tel. Peterborough 54573)

By train – Take the British Rail service to Peterborough and then travel by bus. Nene Valley International Steam Railway runs regularly from Wansford into the park, principally at weekends and Bank holidays during the summer. (BR enquiries – tel. Peterborough 68181)

Footpaths, horse routes and cycleways – Peterborough's network of footpaths, horse routes and cycleways provides easy access to the park from Bretton, Longthorpe, the Ortons and the city centre.

Nene Way – is a delightful riverside walk from the city centre (at Bridge Street) through Ferry Meadows and out to Wansford.
