CONDITIONS OF SALE

LYALL & CO. (who in these conditions are called 'The Auctioneers') act in every respect relating to goods and the sale thereof, as agents only of the person or persons (herein called 'the Vendor') sending to or leaving such goods with the Auctioneers with a view to the sale thereof.

APPLYING TO ALL

THIRD PARTY LIABILITY

The Auctioneers will not be responsible for any loss, damage or injury occasioned to or sustained by any person during the period of public viewing and the auction sale howsoever the same may arise, unless arising from the negligence of any employee of the Auctioneers.

APPLYING TO PURCHASERS

DESCRIPTIONS

Every effort is made to ensure the accuracy of the description of each lot but these whether made orally or in the catalogue are expressions of opinion and not representations of fact. No employee of the Auctioneers has any authority to make any representation of fact and the Auctioneers disclaim on behalf of the Vendor and themselves responsibility for authenticity, age, origin and condition and for accuracy of measurement or weight of any lot or lots.

MISREPRESENTATION

If within fourteen days after the sale the Auctioneers receive from the Purchaser notice in writing that in his view the lot is a deliberate forgery, and within seven days after such notification the Purchaser returns the lots to the Auctioneers in the same condition as prevailed at the time of sale and satisfies the Auctioneers that (having regard to the entry in the catalogue) the same is a deliberate forgery, then the Auctioneers shall be entitled to rescind the sale and to refund to the purchaser the purchase price of that lot. In deciding whether or not the lot is a deliberate forgery the Auctioneers shall be entitled at their discretion and at the cost of the Vendor to seek the views of any expert or other authority.

BIDDING

1. PURCHASERS ARE DEEMED TO HAVE SATISFIED THEMSELVES AS TO THE CONDITION OF ANY LOTS BEFORE BIDDING.
2. No bid may be withdrawn and the Auctioneers may refuse any bidding.
3. The Auctioneers may divide, combine, add to or withdraw any lots and shall determine the advance of each bid and may bid on behalf of the vendor on lots on which there is a reserve price.
4. The highest bidder shall be the buyer. If a dispute arises the Auctioneers have discretion to settle the dispute or to re-offer the lots. At the fall of the hammer the lots shall be at the sole risk of the pruchaser who shall give to the Auctioneers his full name and address and such deposit as the Auctioneers may require.
5. The purchaser shall pay to the Auctioneers commission at the rate of 5% of the purchase price on each and every lot purchased.

CLEARANCE AND PAYMENT

No lots may be removed without payment of the full purchase price and cheques cannot be accepted from strangers without a Banker's Reference. All lots must be removed at the Purchaser's risk and expense.

AGENCY AND COMMISSIONS

The Auctioneers act as agents only and are not responsible for default by either Vendor or Purchaser. They will execute commissions received in writing up to one hour before the sale only on condition the lots have been viewed by the intending purchaser.

DEFAULT

If any buyer fails to comply with these Conditions the Auctioneers shall be at liberty to re-sell the lot(s) without further notice by public or private sale and any deficiency arising from such sale together with all charges and expenses shall be made good by the defaulter.

Title of Goods purchased remains with the Vendor until payment is made in full. Responsibility of the goods passes however to the purchaser at the fall of the hammer. The purchaser is thereafter responsible for the insurance of goods purchased.

NOTES

COMMISSIONS
If you cannot attend this or any of our sales we are pleased to execute commission bids on your behalf. We are proud of our reputation in such commissions and always attempt to purchase at the lowest possible bid. The lowest commission bid accepted is £5 and a form is attached to the rear of this catalogue. Please note that Lyall & Co. Staff and Sale Porters are not allowed to bid personally so all bids are to be in writing and handed to any of the office staff. Lots purchased on commission must be collected within four days, after such time a storage charge of £1 per lot per week will be made. It is the responsibility of the prospective purchaser to contact Lyall & Co to see if a commission bid has been successful.

PAYMENT MUST be in full IMMEDIATELY after the auction. Payments can only be made by the following methods:-
1. Cash
2. For accounts up to £50, cheque with valid bankers' card.
3. Bankers' draft or Building Society Cheque.

Goods will not be released against cheques unless specific arrangements have been made. Purchasers wishing to pay by cheque should obtain a letter of authority from their bankers, stating the sale title, date of sale and the amount up to which cheque may be accepted.

REMOVAL OF PURCHASES
Goods can be collected as soon as paid for and must be collected either on sale day or the next working day after the sale. Items paid for by cheque over £50 can only be removed if adequate arrangements are made. A charge of £1 per lot per week will be levied for items not collected within four days of the sale date.

"AF"
Items marked "As Found" indicates some damage or repair. The term is used at the Auctioneers discretion and its absence does not indicate that any item is free of defect or damage.

LIKELY SELLING PRICE
A list of lots with likely selling prices over £30 is displayed in the Saleroom, this is purely as a guide and is obviously not a list of actual prices or indication of any reserves. It is offered as guide to likely realisations based on recent selling prices of similar items and current market trends. The majority of lots included are from House Clearances and are subject to the usual vast fluctuation of Auction Prices.
