2.—The purchase money for each lot with the usual commission of 5% (five per cent) shall be paid at the fall of the hammer (if required). Each lot at the fall of the hammer shall be at the sole risk and expense of the buyer, and shall be paid for and removed immediately after the conclusion of the sale, **but no lot shall become the property of the buyer, or be removable until paid for,** and if taken away in contravention of these conditions without an order for removal signed by the Auctioneers, they shall have power to seize the same by their servants or agents, or otherwise, or the Auctioneers may recover either the lot sold or the price thereof (at their option) by action at law.
