NOTES

CONDITIONS OF SALE.

1.—The highest bidder shall be the Buyer. The right to withdraw, alter or amend any lot or lots is reserved.

2.—The lots are sold with all faults and errors of description (if any). The purchaser is deemed to have inspected the lots he buys, and if he buys without previous inspection he shall be deemed to have done so at his own risk. No allowance can in any case be made, nor shall the vendor be answerable for any deficiency in quantities, conditions, weights or measurements, claimed for after the purchaser, his agent, carrier, or man employed by him, has removed his lot or lots from the premises.

3.—Each lot at the fall of the hammer shall be at the sole risk and expense of the buyer, and shall be paid for and removed immediately after the conclusion of the sale, but no lot shall become the property of the buyer, or be removable until paid for, and if taken away in contravention of these conditions without an order for removal signed by the Auctioneer, he shall have power to seize the same by his servants or agents, or otherwise, or the Auctioneer may recover either the lot sold or the price thereof (at his option) by action at law. Eight days will be allowed for removals.

4.—Payment for each lot shall be made to the Auctioneer or his clerk only, and a buyer paying by cheque must give satisfactory references (if required).

5.—For all purposes of this sale, the Clerk of the Auctioneer shall be deemed to be the Agent of both seller and buyer.

6.—A bidder shall not be allowed to retract his bidding, and he shall give up his full name and address if required. The Auctioneer will not recognise the transfer of any lot from one buyer to another, nor make any alteration in the sale book in respect thereof.

7.—If any buyer neglect or refuse to comply with the above conditions or any of them, his deposit money (if any) shall be forfeited, and the lot uncleared may, at the option of the Auctioneer, be resold without notice by public auction or private contract, and any loss occasioned by such re-sale together with all expenses attendant thereon, or arising under these conditions shall be paid for by the defaulter at this sale and be recoverable as and for liquidated damages. This condition is however without prejudice to the right of the Auctioneer to enforce the contract made at this sale if he thinks fit.

8.—If any dispute or difference arises about any lots or any matter in relation to the sale, the same to be settled by the Auctioneer, whose determination shall be final and binding on all parties concerned.
