1. In these Conditions Thos. Mawer & Son act only as auctioneers and agents and the representative of Thos. Mawer & Son conducting the auction is called "the Auctioneer".
2. Whilst Thos. Mawer & Son make every effort to ensure the accuracy of their catalogues and the description of any lot:-
 - (i) Each lot as set out in the catalogue or as divided or combined with any other lot or lots is sold by the vendor with all faults, imperfections and errors of descriptions.
 - (ii) Thos. Mawer & Son do not accept responsibility for the authenticity, attribution, genuineness, origin, authorship, date, age, period, condition or quality of any lot unless they have been instructed in writing by the buyer to so certify.
 - (iii) All statements whether printed in the catalogue or made orally as to any of the matters set out in (ii) above are statements of opinion only and are not to be taken as being or implying any warranties or representations of fact by Thos. Mawer & Son unless they have been instructed in writing by the buyers to so certify.
3. The Auctioneer has absolute discretion to divide any lot, to combine any two or more lots or to withdraw any lot or lots from the sale, to refuse bids, regulate bidding or cancel the sale without in any case giving any reason or without previous notice. He may bid on behalf of the vendor for all goods which are being offered subject to reserve or at the Auctioneer's discretion.

The highest bidder shall be the buyer. The Auctioneer may at his sole discretion determine the advance of bidding or refuse a bid. If during the auction the Auctioneer considers that a dispute has arisen, he has absolute discretion to settle it or to re-offer the lot.

Each lot is put up for sale subject to any reserve price placed by the vendor. Where there is no reserve price (but not otherwise) the seller has the right to bid either personally or by any one person (who may be the Auctioneer).

All conditions, notices, descriptions, statements and other matters in the catalogue and elsewhere concerning any lot are subject to any statements modifying or affecting the same made by the auctioneer from the rostrum prior to any bid being accepted for the lot.
4. The buyer shall pay the hammer price together with a premium of 5 % of the hammer price + V.A.T.
5. Notwithstanding any other terms of these Conditions, if within seven days after the sale Thos. Mawer & Son have received from the buyer of any lot notice in writing that in his view the lot is a deliberate forgery and within twenty-one days after such notification the buyer returns the same to Thos. Mawer & Son in the same condition as at the time of sale and by producing evidence, the burden of proof to be upon the buyer, satisfies Thos. Mawer & Son that considered in the light of the entry in the catalogue the lot is a deliberate forgery then the sale of the lot will be rescinded and the purchase price of the same refunded. The vendor agrees to be bound by Thos. Mawer & Son's decision.
6. Thos. Mawer & Son disclaim responsibility for default by either the buyer or the vendor because they act as Auctioneers only and therefore do not pay out to the vendor until payment is received from the buyer. Instructions given by telephone are accepted at the senders risk and must be confirmed in writing forthwith.
7. Every person on Thos. Mawer & Sons' premises at any time shall be deemed to be there at his own risk. He shall have no claim against Thos. Mawer & Son in respect of any accident which may occur or injury, damage or loss howsoever caused, save in so far as the injury, damage or loss shall be caused by the negligence of Thos. Mawer & Sons' employees.
8. All lots must be removed from the salerooms, by 12.00 noon the day following the sale, in default of which a storage charge will be made, (minimum charge £5 + V.A.T.).
